BI-MONTHLY NEWS

A note from Karen

I hope you have been enjoying the recent change in season! In our new season at CAP Rugby we will be saying a fond farewell to Deacon **Georgina Brooks** - our current Chair of Steering Group and Church Leader Link with CAP UK. She has faithfully served CAP Rugby with generosity and grace over the past 8 years and will be missed as she moves to pastures new! God bless you Georgina! It is also my pleasure to announce this year's fundraiser: **'An Evening With CAP Rugby'** on **Saturday 14th June**, 7pm, at The Merchants Inn, Rugby. It would be a delight to have you join us for an evening of storytelling and auctioneering. More information can be found at: becchurch.org.uk/cap-events.

RUGBY DEBT CENTRE NEWS

It is with joy that we celebrate our first household going DEBT FREE this year! We hope to share their story with you in the near future.

These clients represent thousands of homes swimming against the tide of debt in the UK, and have persevered through bailiffs at the door, ill health and job loss in the past year. Please pray for them to find stability & peace. We are currently supporting seventeen households in Rugby and took four new clients in March/April.

JOIN OUR TEAM!

Have you ever thought of joining our team of CAP Befrienders?!

We are seeking volunteers to 'be a friend' to clients as they journey out of debt. This role is for anyone who seeks to serve those in vulnerable situations with compassion and kindness; who are good at listening and love to pray. To find out more please get in touch with karenswoffield@capuk.org. The next training will be held on Tuesday 24th June, 9.45-12.30pm at Woodlands. Feel free to come along as a taster.

CAP UNITED

It's that time of year when we can gather with the wider CAP family from across the Midlands!

This year's conference will be held at Kingsgate Community Church on Wednesday 25th June, 10-4pm.

This event is open to all supporters, volunteers, church leaders and coaches. The day includes worship, seminars, client stories and lunch!

This is a great opportunity to celebrate all that God is doing across our region and to equip the local church for love-filled action. Book your place [here](http://becchurch.org.uk/cap-rugby)!
